

## Student Information and Employment Verification

---

Florida Institute of Technology offers a 10% discount off regular tuition rates to employees of Education Partner companies for courses in the following programs:

- Graduate Certificate – Behavior Analyst (GCP 8037)
- Graduate Certificate – Assistant Behavior Analyst (GCP 8036)
- Master of Arts – Behavior Analysis Practice (Major Code 8155)
- Edition Transition – ABA 5th Edition – Behavior Analysis Online (NM 0102)

To request this discount, you must be a current employee of an Education Partner company and your employment status must be verified before you register. The discount will be applied after the completed employment verification form is received and processed. If the form is received after classes have begun, the discount will begin the next term. The discount will not be retroactive for previous terms of enrollment, regardless of employment dates.

**Program Delivery:** Each course and program has unique requirements, and you should examine all requirements before registering. The Florida Tech ABA Fifth Edition verified course sequences (VCS) are designed to fulfill instructional requirements for the fifth edition BCaBA or BCBA exam. Information about courses and programs is available in the Florida Tech Catalog (<https://www.fit.edu/catalog/>).

**Academic Policies:** All policies stated in the current Florida Tech catalog apply. You must meet all current application, admission and registration requirements.

**Employment Verification:** At any time, Florida Tech may require verification of your current employment status. Verification must be received directly from your employer.

**Tuition and Fees:** Tuition and fees are charged according to rates in effect at the time of enrollment and are subject to change. The discount applies to tuition only; it does not apply to application fees, textbook or other materials costs, or any other fees.
