Elizabethtown College’s School of Graduate and Professional Studies (SGPS) is proud to partner with **CCRES** to offer educational programs to serve your professional development. We offer several undergraduate and graduate-level programs and are proud to extend a **10% discount** on tuition for CCRES employees interested in enhancing their skillsets. Our programs will help you advance your career with an education from an institution with an excellent reputation for delivering high quality academic programs.

The programs at SGPS are geared toward working adults. Whether you’re looking to advance your career, complete your degree, or start a new chapter in life, we’ll give you the skills, support, and credentials you’ll need to move up and move ahead.

Flexible Delivery:

- 5-week courses for undergraduate programs
- 8-week courses for graduate programs
- Online courses let you learn in the comfort and convenience of your home and schedule
- Part-time and accelerated options available
- Personalized academic advising and student support resources help you every step of the way
- Deferred billing available for tuition assistance
- Financial aid and scholarships available
- Generous transfer credits help you to get a head start on your degree
