EDUCATIONAL PARTNERSHIPS

Supporting goals, uplifting families, and
shaping communities!

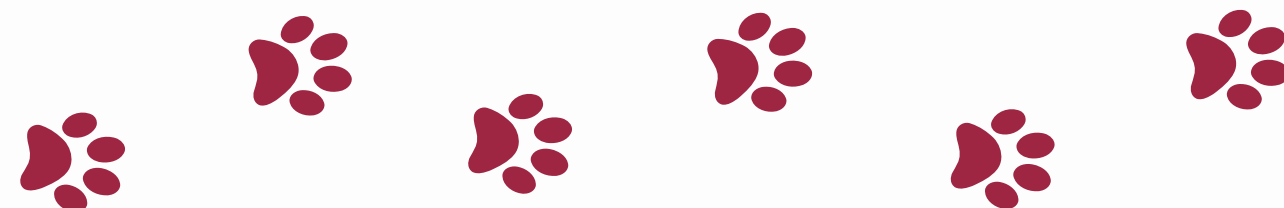

MISSION ALIGNMENT

CCRES is guided by our mission and Core Beliefs/Values which drives us to **make a difference, every day**. We support individuals in reaching their full potential in their careers and daily lives. We respect, appreciate, and **value each unique person and honor their authentic self**. Our commitment to these principles strengthens our organization and connection to the communities we serve.

#WeDoGoodThings

Guided by Franciscan values and the ideal of “**knowledge joined with love**,” and rooted in the Catholic and liberal arts traditions, Alvernia is a **rigorous, caring, and inclusive learning community** committed to academic excellence and to being and fostering broadly educated, life-long learners; **reflective professionals** and engaged citizens; and **ethical leaders with moral courage**.

PARTNERSHIP VALUE FOR EMPLOYEES

Studies show that when an employer supports their employee in their educational journey, and rallies around them, they are more likely to be successful and fulfilled.

Support systems are a key factor in predicting success and completion in adult and higher education!

Programs are offered in online, hybrid, and evening formats to accomodate working professionals.

Partnership Tuition Discount - 20% off tuition for our eligible adult bachelors, graduate, or doctoral programs. (Some programs are already deeply discounted beyond 20%!)
